Hallmark Fireworks Catalogue

First and foremost, we at Hallmark Fireworks International would like to thank all our customers who supported us during 2021, it was an amazing year! We here at Hallmark Fireworks managed to put faces to our wonderful customers. We made a deliberate effort to try and meet all of you face to face so we can build on our great relationships. We would like to thank you for supporting us and we hope to see you all again very soon.

Covid-19 has continued to impact everyone this year, personally and economically. We hope you and your families have remained safe during these difficult times. Although the epidemic is far from over, we feel we can now see the light at the end of the tunnel. We would like to reassure you all that we are very much looking forward to a strong and successful year.

This year we are launching more products and increasing our stock levels to higher than we have ever done before, in turn increasing the size of our storage facilities and staff team.

If you require further information or have any queries about our products and services or would like to place an order, please do not hesitate to contact us on 08453 664 033 or email us at enquiries@hallmarkfireworks.co.uk and we will be happy to assist you in placing an order or sending one of our expert sales representatives to you.

Lastly, the Hallmark Team would like to wish you a successful, safe and enjoyable fireworks season and would like to thank you for your continuous loyalty and support.

GUIDELINES

As a responsible importer and supplier, we ask our retailers to encourage the safe use of fireworks.

- Please make sure all sales staff are aware of the regulations. Please display the Firework Code for your customers.
- Anti-social behaviour with fireworks can be a problem, don't sell to anyone under the age of 18. As it is illegal to sell to under 18s, please make sure a leaflet is displayed prominently in your store.
- We have put together a few notes for retailers, however, please do not hesitate to contact us for more information or any help, any of our staff here will be pleased to assist you.

SELLING FIREWORKS

- You must obtain a licence to store fireworks from your local Trading Standards or the Fire and Rescue Service.
- You must obtain a licence to sell fireworks if you intend to supply outside the usual fireworks period (see notes below).
- You must store the fireworks safely.
- You must not sell to under 18s (there are exceptions - category F1). Make sure all your staff know the fire drill.
- Fireworks may be sold from 15th October to 10th November; 26th of December to 31st December; the first day of Chinese New Year and the three days preceding, the day of Diwali and the three days preceding it.
- An additional licence is required if you wish to sell all year round.
- Fireworks must be sold in the manufacturer's or importer's packed sets. The contents of these must not be taken out of their packs and sold separately.
- Fireworks should be the customer's last purchase before leaving your store, under no circumstances should you allow a customer to carry fireworks around your store.

STORING FIREWORKS

- Keep all fireworks in a dry place.
- Label all internal storage 'FIREWORKS - HIGHLY FLAMMABLE'.
- ISO storage should be labelled unless suitably risk assessed (site specific). Restrict the access to the storage area "authorised personnel only".
- Don't allow any smoking anywhere near the fireworks being displayed or sold. A 'NO SMOKING' notice should be prominently displayed.
- Unplug any electrical fitting that is inside a display case containing fireworks. Avoid, where possible, customers handling any fireworks while they are choosing. No more than 12.5kgs NEC (Net Explosive Content) in any one display cabinet. Storage arrangements will be agreed prior to the issue of a licence.
- Cellars are not a suitable place to store fireworks.
- The premises which holds the licence is the only place from where you may sell and where the fireworks must be stored. The approved storage arrangements are agreed prior to the issuing of a licence and must be strictly adhered to. An additional cost may be involved with a variation of a licence.
- A leaflet giving information about storing and selling fireworks safely may be viewed and downloaded free of charge at www.hse.gov.uk/pubns/indg407.pdf
